Parent University
April Workshops

The Racine Unified School District Office of Family & Community Engagement (FACE) is excited to launch a new initiative, Parent University. A community collaborative led by Racine Schools to help parents become full partners in their children's education. The FACE Department is partnering with community agencies and organizations to offer free monthly workshops, information sessions, activities and events that will equip families with new or additional skills, knowledge, resources, and confidence. These workshops are open to the entire community!
