Boys Golf
Boys Tennis

How do I sign up for a Fall Sport?
The beginning of August, the Activities Office will have sign up days for Fall Sports where you can bring your WIAA Permit Card, concussion form, and pay your Athletic User Fee to receive your Practice Permit. All athletes must have their Practice Permit with them on the first day of practice.

Should I sign up for winter or spring sports now?
No, you will wait until the week before those sports start to sign up. Only sign up for your Fall Sport in August.

What is the User Fee?
The fee is set by the School Board to offset some costs of the athletic program. The fee is currently $80.00 per sport; $160 maximum per student per year; or $240 maximum per family. Checks are payable to Park HS. Fees are ONLY refunded if you are cut from the team. There are no refunds if you quit. Fee is subject to change.

What is a WIAA Permit Card?
This is a green card that contains your doctor's signature and date of your recent physical. It also contains family information we need to have on file. All athletes must have a WIAA Permit Card on file with the Activities Office. Green Cards are available in the Activities Office (and the Main Office in the summer only).

Do I need a new physical exam?
Yes, you should have an athletic physical on or after April 1, 2018. This physical will be good for your freshman and sophomore school years if taken on or after April 1, 2018. Make sure you have your green card with you when you go to the doctor. Wheaton/Ascension, Aurora, and Swift Care have special physical clinics in the summer. Contact them for the dates.

Do I have to have medical insurance to participate?
Yes, Racine Unified School District requires all athletes be insured against injury. The district makes available standard insurance for purchase. Ask for an application from the Activities Office if you do not have private insurance.

Where do I turn in my card and user fee?
You must turn in your items to the Activities Office only (not the coach, not the main office, not the sub school offices). Items turned into the wrong person will have to be replaced. You will receive a receipt and the Practice Permit when you turn your card and user fee into the Activities Office. You are not allowed to participate without a Practice Permit.

Do I have to turn in a WIAA card for each sport?
No, you only turn in your WIAA card once each year; you do pay have a user fee for each sport ($80 each, family maximum of $240 or $160 per student)
