*Please note, the dropdown box only appears if there are multiple children in the household. If there is only one student in your household, you may skip to step two.*

2

Select **School Choice** from the menu on the left side of the screen.

3

The list of eligible schools for the student's next academic year will appear. Select the school that you want as your first choice and then click **Submit Application**.

4

Your School Choice application has been submitted and will appear at the bottom of the screen. You can check the status of your application at any time in this area. At this time, you may also submit applications for your **2nd, 3rd or 4th Choice School** by repeating step three.
