

MARCH 6TH, 2019

JEROME I. CASE

HIGH SCHOOL

ANNUAL

OPPORTUNITY

FAIR

Why Attend?

There will be over 100 vendors invited to show junior level students what opportunities are available to them! There will be vendors focused on areas from each pathway, education, trades and more! This is one of the best ways to show students what they can look forward to after their high school career has ended. This will broaden their spectrum of options post-graduation and where their paths may take them. This may even open opportunities for them sooner and make them more accessible!

**Great chance to
learn about available
opportunities!**

**Over 100 vendors will
be invited!**

**Vendors will have
numerous areas of
focus!**

**There will be at least
one vendor present
for each pathway!**

**All juniors are
welcome to see what
is available to them!**
