Wishing you a Gophtastic Winter break from Goodland Elementary

Thank you for all the Box Tops that were sent in. Continue to save them throughout the year. We will have another contest in the Spring, but will accept them at anytime during the year.

Principal's Corner

Greeting Parents,

Time is passing rather quickly. Can you believe that we are approaching the holiday season? We want to thank you for trusting us with our most valuable resources your students. The most valuable asset our school has happens to be each and every student that walks through our doors on a daily basis. We are appreciative of the diversity that they bring with them, and pledge to give them the best we have to offer. It is our vision that all students will leave Goodland on or above grade level with the ability to regulate their social and emotional behaviors.

We need your help to keep the momentum going. You can assist by:

1. Having a quiet time for students to read and write for twenty-five minutes every day.
2. Reducing early check outs so students are here for bell to bell instruction.
3. Reminding our students of appropriate behavior.
4. Attending family events and volunteering when able.

The school home connection is a vital component in making the day and the life of all students an experience they will cherish forever.

Finally, the doors of Goodland remain open for your suggestions and feedback on how we can better serve you. Please don't hesitate to stop in, call, or send me an email at anytime.

Partners in the Journey,

Janet Colvin

****Starting December 1st we will be selling assorted snacks at the end of the day on Fridays. The snacks will range from .25 to .75 cents. Proceeds will help fund student activities.****

***Remember winter is approaching. Remind our students to wear their winter attire.**
