***** PARENTS – YOU ARE RESPONSIBLE *****

The Racine Unified School District is not liable for an accidental injury that occurs to a student while he/she are attending school or participating in interscholastic sports/extra-curricular activities.

For the 2019-2020 school year, Racine Unified School District does provide a student accident insurance plan that parents/guardians can purchase for their student(s).

This plan is design to assist families with their high deductible or out-of-pocket medical expenses should their student sustain an accidental injury. If a student does not have any primary health insurance, this plan would also provide medical benefits for accidental injuries only.

We also strongly encourage you to consider this plan if your student is participating in interscholastic sports as accidental injuries are more common to occur during these activities.
