

Dear Parents,

Your child's school and the Kenosha Kingfish would like to inform you that this year your child is going to be participating in the Kingfish Reading Program presented by Carthage College. We all know the importance of establishing strong reading skills during a child's adolescence, and hopefully we can help by implementing this program. In coordination with your child's school, the Kingfish will be giving a free hot dog, soda and game ticket to all students who complete the reading program for their school's Family Night at a Kingfish game this summer.

We ask that you help work with your child to fill out the tracker sheet, so he/she can accomplish the goal and complete the program. Students will fill in their tracker sheets as if they are running the bases in baseball.

- To reach first base, **25 minutes** must be read. Students will receive a Kingfish tattoo and a 50% off Wisconsin Juniors Volleyball Coupon.
- To reach second base, **50 minutes** must be read. Students will receive a free Kid Zone pass to use at a Kingfish game sponsored by Kerber Smiles Pediatric Dentistry.
- For third base, **75 minutes** must be read. Students will receive a Culver's coupon.
- And finally when they reach Home Plate on the tracker sheet, they will receive a free hot dog, soda and game ticket.
- This tracker sheet is due to your child's teacher by Monday, March 13th.

Your child's reading program ticket will be **valid for your school's Family Night game only** and **\$9 discounted tickets are available to all family members and friends for this game only**. These tickets are only available **prior to the date** of your school's Family Night. Your child's reading program ticket, as well as the discounted tickets, will be ordered through the order form provided to your child by the school. Once your child has returned the tracker sheet to his/her teacher, he/she will be given an order form. Fill out the form and return it via the instructions listed on the order form or the instructions given to you by the school. All **TICKET** order forms must be returned to the school by Friday, April 7th. If you have any questions, or if you need tickets after the ticket order form has been turned in, please contact **Megan Chatterton in the Kingfish ticket office at (262)653-0900**.

We hope you will join us in encouraging your child to read more and attend your school's Family Night. The Kingfish look to initiate a strong relationship with your school and community and hope that you will work with your student to help him/her successfully complete the Kingfish Reading Program.

Thank you,

Megan Chatterton
