

# 2016-2017 School Meal Information

## Case, Horlick and Park High Schools

### Lunch/Breakfast Prices:

The price of lunch for the 2016-2017 school year is \$2.80 for high school students. Reduced lunch is \$.40 per day for those who qualify. Students are required to take AT LEAST three (3) different components out of the five (5) offered components to have a complete meal. The five different components are: grain, meat, dairy, fruit and vegetable. One of the items chosen must be a fruit or vegetable for the meal to be complete. If a child does not have all required components he/she will be asked to pay the a la carte prices for his/her items. A la carte items are available at the high school level and must be paid for regardless of lunch status.

Breakfast is offered at all high schools and the cost to students is \$1.25. Students who qualify for free or reduced meals receive breakfast at no cost. Please call your child's school for serving times. Breakfast includes a daily hot breakfast or whole grain cereal, yogurt or string cheese with whole grain graham crackers or breakfast bar, fresh fruit or 100% fruit juice and hormone-free skim milk. Students need to take at least three (3) different items of the four (4) offered items to have a complete meal.

All lunch menus are available online at [www.rusd.org](http://www.rusd.org) or in the main office of your child's school. Your child's ending lunch balance from the 2015-2016 school year, whether positive or negative, will roll over to the 2016-2017 school year.

### Lunch Payments:

You may send lunch payment for your student's lunch in three ways: cash, check, or online payment. When sending your child with cash or check, **please make sure the payment is clearly marked for your student.** Checks can be made payable to Racine Unified School District. Students will hand check or cash to the cashier at the end of the service line. To pay online with RevTrak, go to our District website and on the upper right-hand side, click Quicklinks and select Online Payments. You will need to have your student's ID number, and there is a \$1.50 convenience fee for each transaction. Payments made before 8:30am will be credited to your child's account on that day and payments made after 8:30am will be credited the following day. Please note that payment online and by check are the most secure form of payment. **High school students are not allowed to charge negative amounts on their student lunch accounts.** An alternative meal will be served if a zero balance is reached without payment received. Please call the food service office for information regarding lunch money refunds.

### Lunch Account Balance Emails:

Balance Alert Emails can be sent directly to your home or work email to notify you when your child's account is getting low or is in the negative. Emails will be sent out every three days. Please email [food.service@rusd.org](mailto:food.service@rusd.org) to sign up for these alerts and include your student(s) first and last names and school name. If your email is already on file with the Food Service software, you will continue to receive the balance emails.

### Food Allergies:

If your child has dietary restrictions or food allergies, please contact the District dietitian at 262-664-8701 or [dietitian@rusd.org](mailto:dietitian@rusd.org). Special diet forms are available on the District website. Proper paperwork will need to be signed by a physician and on file with the dietitian before accommodations are made.
