

Parent University

November Workshops

The Racine Unified School District Office of Family & Community Engagement (FACE) is excited to launch a new initiative, Parent University. A community collaborative led by Racine Schools to help parents become full partners in their children's education. The FACE Department is partnering with community agencies and organizations to offer free monthly workshops, information sessions, activities and events that will equip families with new or additional skills, knowledge, resources, and confidence. These workshops are open to the entire community!

Autism Basics

Presenter: Julie Arens, Special Education, RUSD

November 6 • 5-6:30 p.m. • Julian Thomas School • 930 Martin Luther King Dr.

This session will provide a basic understanding of the disability of Autism.

The Science of Food

Presenter: Terri Tessman, Ask, Make, Innovate LLC Consultant

November 6 • 5-6:30 p.m. • Case High School • 7345 Washington Ave.

Families will learn the science behind healthy food, how to create healthy foods using an Instant Pot, and recipes that they might use in their home. We will create healthy foods using an Instant Pot, sample their creations, and model the safety of Instant Pot use. Families will leave with recipes and an Instant Pot for use in their homes.
