*Employee Health
& Wellness Center*
powered by **healthstat**

Who is Healthstat?

- Founded in February 2001 from a provider perspective
- Serves 200,000+ employees, 120+ companies and 300+ wellness programs nationwide
- Provides a distinctive and convenient resolution to rising healthcare costs while helping employees, spouses and dependents stay healthy
- Healthstat will act as a third party to manage your health and wellness ensuring your privacy and security of your health information

Education Sessions

Primary Goal

- Detect potential health risks to improve quality of life
- Engage employees and their families in health promotion, prevention and health risk management activities
- Provide wellness services at no additional cost
- Assist in the reduction of healthcare costs by helping you stay healthy

Education Sessions

Why Participate?

Be Healthier

- Easily accessible primary care and wellness services

Live Longer

- Engage in health promotion, disease prevention and health risk management

Save Money

- No cost for medical services (in clinic or telephonic coaching)
- No cost for lab services
- No cost for medications dispensed

Save Time

- Pre-scheduled appointments to eliminate long waits
